Audience Services

Dear Mr. Weisberg: August 19, 1975

I am replying to your letter concerning Daniel Schorr.

All of us at CBS are naturally interested in the reactions of our audience. We appreciate your having taken the time to share your thoughts with us and hope you will understand that Daniel cannot reply personally because of a very heavy schedule of assignments at CBS News. However, please be assured that your message was brought to his attention.

Cordially,

Kay Wight
